## Camp in a Box

A portable **Summer Camp Solution** used internationally to inspire young people to follow Jesus Christ.

**Think back to when you were young.** Did you have someone older in your life who was there for you, helping you to see both dangers and opportunities? When you felt overwhelmed with life, did someone give you courage and lift you up? How did this change your life? How could this have changed your life if you had had that mentor? Many of us are effected for life by the decisions we make at an early age.

**We provide fun summer camp environments for building Christ-centred mentoring relationships.**

It's about helping young people build a solid foundation – exploring who Jesus is and why that matters – in the context of camping ministry.

## ONE LEADER'S STORY

*As part of our mentoring program, "Your Time, Their Future", Ilze agreed to gather and lead a group of 4 young girls. They spent a week at summer camp provided by **CAMP IN A BOX** having fun, getting to know each other, building trust, and discussing who Jesus is. After camp, she had support and mentoring through a monthly meeting of leaders. Although insecure in the beginning, she continued to learn to invest in her girls. **In October, three of her girls were baptized and started attending her church youth group.** 4 years later, Ilze still speaks into the lives of girls from her first group.*
